LETTER FROM OKLAHOMA.
Wakita, Okla., Nov. 28, 1915.
Editor Union Times:
Please allow me space in your valuable paper for a short letter which may be of some interest to many of your readers and especially the older men of the county.
I have just returned to this town from a ten days' visit to Mr. Wm. A. Scott of Konawa Seminole Co., in the southwestern part of this State and it is needless to say that I enjoyed the visit as every South Carolinian can imagine the reception one fresh from that State would receive from a native of that grand old State, but who for 15 years has not gazed upon the land of his childhood and youth. Wm. Capers Scott was born in the North Paconet section of what was then and until a few years ago a part of Union county. He served throughout the entire four years of the Civil war and as he is now in his 69th year you can see he was a mere boy at the beginning of the war.
He was a member of Co. K, 2nd S. C. Regiment under Capt. A. P. Vinson. This regiment was commanded by Col. "Bill" Wallace and was in Kershaw's division.
Wm. C. Scott is not a man to "blow his own horn," but recounts with great pleasure the brave deeds of many Union county men.
It was from such men as W. H. S. Harris, W. A. McWhirter, J. G. Long, Sr., and others that I learned years ago of Capers Scott's part in the history of Union county.
Mr. Scott was a member of a certain band of brave and noble men who, after long suffering and in many cases imprisonment or exile from South Carolina, from a rule or government that was so repulsive to the self-respecting citizenship of that State and to whom South Carolina is today much indebted for its good government.
Mr. and Mrs. Scott have only five children living, two boys, Claude and J. D., both married; two girls, Lula and Grace, who are single and Mrs. Galimore.
None of the children have ever visited South Carolina but Lula and Grace hope to some time in the near future. The children all think the next to Arkansas South Carolina and Georgia are two of the greatest States in the union and, of course, we can excuse them for putting Arkansas first, as we would not have them be disloyal to the State in which they were born and, too, they can't help because they were born in Arkansas instead of South Carolina. The unhealthy climate of South Carolina during the reconstruction period caused South Carolina to lose many good citizens.
The first night I was with Mr. Scott, his memory seemed to be at its very best for he must have asked me about every man, woman and child he ever knew back there and in so many cases I had to answer "dead," and often after I had told him of the death of some comrade and friend he would become silent for many minutes and, as he graded into the fire I could see the tears roll down his cheeks and I knew that his thoughts could only be understood fully by his few remaining comrades back home.
He spoke with much feeling of W. H. S. Harris, J. G. Long, J. W. Scott, W. A. Goforth, W. A. McWhirter, T. L. Hames and hundreds of others and as I parted with him he asked that in writing back home I ask his old friends to remember him and that he would be awfully glad to hear from any of them. His greatest desire is to visit old South Carolina again, but his health just at this time is not the best and he fears the trip would be too long and tiresome.
I trust that he may be spared and that his health may so improve that he may be privileged at least once more to see his native State and may God spare the boys back there that they may be on hand to meet him and refresh the friendship and memories that time and separation can never blot out.
When the few who remain to tell of the thrilling days from '60 to '80 have answered the last roll call may their memory not only linger in the minds of the present generation but throughout the generations of all time to come.
Thanking you for the space, time and trouble you have had in translating this poorly written letter and trusting that it may be of interest to at least a few, I am, with kindest personal regards to you, your staff and my friends throughout the county.
Yours very truly,
Boyd E. Scott.

EASY TO TAKE—NO PAIN OR ACHE.
It's no longer necessary to bear the weakening sickness and terrible nausea that always follows a dose of calomel.
LIV-VER-LAX cleanses the torpid liver, and livens up the whole system by ridding it of the clogging poisons. Yet it works so gently and pleasantly that you hardly know you've taken it.
LIV-VER-LAX, being purely vegetable, is absolutely harmless, and does not tear up the system like calomel. And it's guaranteed to be satisfactory, or the druggist will return your money. For sale at 50c and \$1 at Glymph's Pharmacy.—Adv. 49-4

BAD BEE-HAVIOR.
A little rose
Grew by a garage.
Each morning that was sunny
There came a bee.
Stuck in his nose.
And dined upon its honey.
Some gasoline
Fell on the rose—
The bee drank that next morn
And now he can
No longer buzz,
But honks just like a horn.

**A CHILD HATES OIL,
CALOMEL, PILLS FOR
LIVER AND BOWELS**
Give "California Syrup of Figs" If
Cross, Sick, Feverish,
Constipated.
Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.
With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.
If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its actions is positive, but gentle. Millions of mothers keep this harmless, "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.
Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

Says Woman's Beauty Depends Upon Health

Health and Vigor Necessitate Regulation of Organs of Elimination.

Skin foods and face creams and powders cannot make a woman beautiful, because beauty lies deeper than that—it depends on health. In most cases the basis of health and the cause of sickness can be traced to the action of the bowels.

The headache, the lassitude, the sallow skin, and the lusterless eyes are usually caused by constipation. An ideal remedy for women, and one that is especially suited to their delicate organisms, is found in Dr. Caldwell's Syrup Pepsin, a mild laxative compound, pleasant to the taste and free from opiates and narcotic drugs of every description. Mrs. Gertrude Jordan, 522 North Liberty St., Indianapolis, Ind., says: "It is simply fine; I have never been able to find anything to compare with Dr. Caldwell's Syrup Pepsin. I started using it for the baby and now it is my family standby in all cases where a laxative is needed."

MRS. GERTRUDE JORDAN.
Dr. Caldwell's Syrup Pepsin is sold in drug stores for fifty cents a bottle; a trial bottle can be obtained, free of charge, by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Illinois.

Says She Was Saved From Operating Table

Brother and Sister Both Relieved by Simple Remedy Available to Any One.

In her gratitude for a remedy that saved her from the possible necessity for an operation, Mrs. Carrie Hefflin, of Coats, Kans., writes: "Had it not been for Fruitola and Traxo I might have been on the operating table by now. It relieved me of at least one hundred and fifty gall stones. It surely does work wonders. My brother also had suffered for years, and has been greatly benefited by Fruitola and Traxo."

Fruitola is a powerful lubricant for the intestinal organs, softening the congested masses, disintegrating the hardened particles that cause so much suffering and expels the accumulation in an easy, natural way. Traxo is a splendid tonic, acting on the liver and stomach with most beneficial results and is recommended for use in connection with Fruitola to build up and restore the weakened, run-down system.

KELTON

Kelton, Dec. 6.—The weather continues fair and the farmers are about through gathering their crops and all are well pleased with the prices received for their staple crop. All are now getting ready for Christmas. How different it is now to what it was a year ago; bright faces on all sides, while many sad hearts dot all over our county.

I attended the burial of Mr. R. E. Palmer last Saturday. There was a large gathering of friends and loved ones there to pay the last loving tribute of respect to a departed friend. Mr. Palmer was one of our best citizens; his mother before her marriage was Miss Kelly and was born on the Ridge and lived there until her marriage to Mr. Wm. Palmer. Her parents were Mr. and Mrs. Thomas Kelly, Sr., one of the leading families of the Pea Ridge and the deceased had many relatives and friends in our community who mourn his sudden death. He was a good citizen and a progressive farmer and worked to build up his community and county. Union county has lost several of her best citizens this year from young manhood to ripe old age. We commend the bereaved widow and little children to a loving Father who is a husband to the widows and a father to the children.

There is no serious sickness on the Ridge now that I hear of.

The members of the Kelton charge were delighted to have Rev. J. R. Copeland of the Upper South Carolina conference returned for another year. He is a very zealous and faithful worker and Mrs. Copeland is one of the most zealous and consecrated workers I ever knew. They are bound to win souls for Christ wherever they are sent. According to our church law we can't keep them but two more years after this one; but our loss will be some other community's gain.
